The world would not be able to function without money. Consequently, some of the most important jobs in the world are in the banking, finance and accountancy sector. There are many job opportunities in this field, and this is your opportunity to find out more about the sector, and network with your potential future employer.

Focus on Finance is our programme of events designed to highlight the different areas in the sector you can work in. Employers will be visiting the campus to highlight their opportunities to QMUL students and give you a unique insight into their work.
